BCI-sample.csv input file content 3

BCI-sample.csv input file content

Batch Client Interface (BCI) provides sample content in the `BCI-sample.csv` file included with Vertex® O Series.

For On-Premise users

To make sure that your BCI file meets the basic requirements, enter your data into the BCI sample CSV template file that Vertex provides.

You can:

- [Download the `BCI-sample.csv` file.](#)

or

- Find this CSV file in the installed application `VertexRoot\test\BCI\BCI-sample.csv`.

For On-Demand and Cloud users

You can:

- [Download the `BCI-sample.csv` file.](#)

or

- Copy and paste this text into a text editor, and save it as a CSV file for use as your CSV file template.
